Dear Mr Brodie,

I have to write to let you know how happy I am with the recent work you did on my leaking roof.

I had an ongoing problem with the water running in every time it rained, and I had several roofing firms come to fix it for me. However they did not live up to their promises which led me to ask around for a good roofer. I was recommended to you.

Now thanks to you the problem has been solved and I have a leaky roof no more.

I am so very happy.

Many thanks

I Amos.
