

Mrs. V. — Bromley.

If you require Roofing Repairs,
I would thoroughly endorse the
use of Gay Brodie & Sons.

Many of my neighbours have had
roofing maintenance satisfactorily
completed by Mr Brodie.

My own home is a Grade II listed
building and I have been
impressed with the quality, cost
and clearing away of aftermath
rubbish.

G. Brodie & Sons is a long
term small business and if
necessary I will call upon him
in future.
